<b>Agenda Items</b>	<b>Work Health &amp; Safety</b> Fire Safety Inspection undertaken without notice and inspectors had access to hall access code. Requested 2 weeks notice before an inspection and change access code. Fire Safety Report lists exit light in downstairs internal stairwell requires replacing.  <b>Leader Status</b> Three more Leaders have resigned in addition to the six who left last year leaving the Scout Group at risk of closure due to insufficient Leader membership (currently 7 Leaders are left in the Scout Group). Most at risk are Cubs and Joeys as the Leader pool is too small to sustain Leader absences putting pressure on Noel and Ken to attend multiple sections. Drummoyne Scouts have closed and another Scout Group in our region is about to close due to lack of Leaders highlighting the seriousness the lack of Leader members has on the viability of the 1 <sup>st</sup> Leichhardt Scout Group. It is a legal requirement to have two registered Leaders in the Group.  As an interim measure, Victoria has instated a compulsory temporary roster for parents to attend a Scout session as a parent helper while new Leaders are sought. Parents have been notified of this requirement. A parent who participates once or twice per year as a parent helper is not required to undertake a Working with Children Check. A Leader Build session will be scheduled.  <b>Parent Helper Jobs</b> Scouts no longer subscribe to Operoo and have cancelled the service. Scouts operations have said that they have/will extract data from Operoo and archive it. Victoria has saved interim data and is looking for help assigning parent names with parent helper roles.  Meetings to be scheduled for 1 <sup>st</sup> Monday of each month.
